Venue owners/ operators and organisers (including the religious organisation if the event is being carried out in a place of worship) are required to put in place the following safe management measures.

- 1.3. The Solemnizer may postpone the solemnization if safe management measures are not implemented or adhered to for the solemnization.
- 1.4. For external venues (besides home, ROM/M Building and places of worship), the venue owner/ operator and organiser should prepare response plans to manage situations such as handling unwell guests, suspected/confirmed COVID-19 cases. This includes ensuring staff are familiar with the procedures and appropriately equipped with PPE to wear in the handling of unwell and/or uncooperative guests.

### **2. Group Size Limit**

- 2.1. The group size must not exceed 50 persons (or lower depending on venue capacity and/or policy), throughout the entire marriage solemnization/ reception, excluding the Solemnizer (for solemnization), vendors and premise staff. Vendors and premise staff should be kept to the minimum required.

This could include the deployment of Safety Ambassadors to remind attendees against clustering and loitering in common areas.
- 4.4. Premises hosting multiple events concurrently should put in place measures to ensure no inter-mixing between events.

## **5. Use of Face Masks**

- 5.1. Venue owners/ operators should ensure that attendees are wearing face masks in accordance with the prevailing national policy, with the exception of the bride and groom who may wear face shields during the course of the event instead. The bride and groom may also remove their face shield or mask for key moments (e.g. when exchanging vows or rings, kiss) as long as they maintain a safe distance of at least two metres from others at such times.
- 5.2. Masks may be removed momentarily for photo-taking.
